Re: Current Regulation Information - 803 KAR 30:010

KRS 342.1223(3)(f) authorizes the Kentucky Workers' Compensation Funding Commission (KWFCF) to promulgate administrative regulations. 803 KAR 30:010 is an administrative regulation that establishes the proper calculation of assessment, establishes the procedures and forms to be used to report and remit special fund assessments, identifies audit expenses, establishes procedures for collection of assessments and expenses, and defines penalty and interest procedures.

The current regulation is effective immediately. Our office will continue to audit in accordance with current Kentucky statute and regulation. If carriers require additional time to comply to the regulation, a grace period of up to one year will be granted upon request. Carriers shall have 45 days from the date of this notice to submit their request. E-mail requests to [kwfcfnotices@ky.gov](mailto:kwfcfnotices@ky.gov) will be accepted.

Please visit <https://kwfcf.ky.gov/ksrkar/Pages/kar.aspx> for more information.
